CAMCO / FERGUSON

- Cam Operated & Servo Driven Index Drives & Oscillators
- Indexing Dials
- Precision Link Conveyors
- Torque Limiting Clutches

ROBOHAND

- Grippers, Slides & Linear Thrusters
- Rotary Actuators & Power Lift Tables

APEX DYNAMICS

Precision Gear Solutions for Automation

APEX DYNAMICS

- Planetary Helical Gear Inline and Right-Angle Reducers
- Shaft and Flanged Output Options
- Precision Rack and Pinion Systems

EXLAR

- Roller Screw Linear Servo and Force Tube Actuators
- Servo Motors and Gearmotors
- Integrated Actuators and Control Packages

WITTENSTEIN alpha

WITTENSTEIN / ALPHA GEAR

- Precision Planetary Inline and Right-Angle Servo Reducers
- Specialty Right Angle Reducers
- Bellows, Elastomer & Torque Limiting Couplings

RTA

- Stepper Motors with Options for Encoders and Brakes
- Stepper Drives with Various Voltage Inputs and Control Options (EtherCAT, CANopen, etc.)

STOBER

STOBER

- High Efficiency Helical and Spiral Bevel Reducers
- Gearmotors, Hollow Shaft and Flanged Outputs
- Food Grade and Washdown Gearing Solutions

JVL
intelligent motors

JVL

- Integrated Servo Motors
- Integrated Stepper Motors
- Stainless Steel Motors
- Industrial Ethernet PlugIn Modules

ADVANCED Motion Controls

- Digital Servo Drives for AC and DC Brushless Control
- Analog Servo Drives
- Custom Drive Capabilities
- Standalone Programming Capability
- Variety of Network Interfaces

CONTROL TECHNIQUES / NIDEC

- Programmable Servo Drives with User Friendly Interface
- Variable Frequency Drives
- High Performance Servo Motors

MACRON DYNAMICS, INC.

MACRON DYNAMICS

- Belt Driven and Screw Driven Actuators
- Gantry and Cartesian Robotic Systems
- Multi-Axis Custom Automation & Robotic Solutions

A MEMBER OF THE ESTUN GROUP

TRIO MOTION TECHNOLOGY

- Multi-Axis Control Platforms
- Programmable Touchscreens
- Remote I/O Solutions
- User Friendly EtherCAT Programming Environment
- Servo Motors and Scara Robot Package

INTER-LAKES BASES

- Standard and Custom Machine Bases
- Blanchard Ground Plates
- Steel and Aluminum Dials
- Standard and Custom Machined Components
